Experience

Altek AI / UX & UI Lead Designer

JAN 2025 – PRESENT, OSLO

- End-to-end responsibility for product and UX design. Built scalable AI solutions used by 100+ hotels across Scandinavia, including The Well, Britannia, and The Thief, contributing to USD \$100K ARR and NOK 5M in funding.

Storebrand (Kron) / UX Designer Summer Intern

JUN 2025 – AUG 2025, OSLO

- Led the design of the next phase of the Kron investment platform (80,000+ users, 4.8★ rating). Drove a data- and insight-led home savings feature and delivered executive-level design work recognized by Storebrand leadership for quality, clarity, and strategic relevance.

Telenor / UX Designer Summer Intern

JUN 2024 – SEP 2024, OSLO

- Drove design research and concept development for a dedicated CRM solution serving Telenor's 180,000+ B2B customers, informed by insights from 50+ companies. Extended into employer branding, designing high-impact campaigns that increased job listing traffic by 124%.

Nabostylisten / UX & UI Designer

APR 2024 – OCT 2024, OSLO

- Redesigned Nabostylisten's design system and UI, increasing average user satisfaction from 3.1 to 7.5; featured by MinMote and TV 2.

University of Oslo / Design Teaching and Examiner

SEP 2022 – JUN 2025, OSLO

- Taught and mentored 30+ students; 4 of 8 guided teams nominated for Best App out of 54. Led annual Figma workshops for 70+ students (2022–2024).

Experis / UX Designer Summer Intern

JUN 2023 – AUG 2023, OSLO

- Enhanced music accessibility by designing features for a color-notation app tailored for people with disabilities. Ensured WCAG 2.1 compliance while working in an agile Scrum environment with developers.

Education

University of Oslo / BSc & MSc Design

AUG 2021 – JUN 2026, OSLO

- Multidisciplinary degree in informatics and design, focused on user needs, agile teamwork, and iterative design; with additional courses in leadership, strategy, sustainable design, and entrepreneurship.

Volunteering

Insj UiO / UX & Web Designer

SEP 2022 – AUG 2023, OSLO

- Improved website flows in Webflow and WordPress, increasing student engagement in entrepreneurship programs by 15%. Co-hosted Innovation Week, earning Innovation Norway recognition for connecting women entrepreneurs nationwide.

Defi / Volunteer for Student Organization

SEP 2022 – MAR 2023, OSLO

- Contributed to planning and implementation of academic and social events to strengthen unity and engagement in the design student community at UiO.

Achievements

Winner – UX CUP, BEKK Oslo (2023)

- Won Oslo semifinal; competed in national finale against other regional winners.

Winner – Mine Studier UiO Case (2023)

- Designed winning concept for UiO's student app (27,000+ users), later developed with the Mine Studier team.

Recognition Award – UiO (2023)

- Recognition Award for outstanding contributions to design education and student engagement at UiO.
